NAMASTE from MUMBAI, INDIA!

On behalf of the organizing and scientific committees, I am delighted to welcome all of you, from all over the world to the **14th Conference of the Asian Society of Paediatric Anaesthesiologist (ASPA)**. This exciting event is entirely dedicated to the ever-evolving speciality of Paediatric Anaesthesia, which fascinates all of us, and at times challenges us too!

In **ASPA**, we continue to meet and bring inspired people together in forums. A host of eminent international speakers and key opinion leaders have confirmed their presence for this highly anticipated event. An extensive and interactive scientific program is being finalized & we shall be periodically updating the website regarding the same.

No meeting can ever be meaningful without proactive delegates, I personally invite you to be a part of this international event and render your role in shaping it by your active participation.

In an ongoing zest to further improve our patient care, let's uphold the theme of this Conference

Safe. Pain Free. Happy. Looking forward to seeing you in Mumbai.
